**Thank you for your comments and the support you have shown the school. The school will be looking to develop the following areas from the suggestions you have made:**

- KS1 extra-curricular opportunities – As you know this is something we have already started to consider and look forward to widening the range of clubs for the youngest pupils.
- Continue to reflect on which communication platform will deliver what, e.g. the use of do-jo/email/text and provide an overview to parents of what this will look like.
- Continue to provide enrichment opportunities that reflect diversity.
- Deliver curriculum content on Financial Understanding – this area was highlighted as one of interest by many parents/carers.
