

Year 2 Curriculum - Autumn One

DREAM, BELIEVE, ACHIEVE.

Our topic during this first half term is based around the Global Citizenship theme of identity and diversity. All year groups across the school are teaching one of these topics under the banner of 'We are all unique' so there is an expansive progression of themes and knowledge across the school. In Year 2, our topic is 'We Are All Unique' and focusses on being different and how we behave towards others. The enquiry questions that fuel the learning are detailed below along with details of all other curriculum subjects being taught this half term.

You can see our whole school vision and curriculum intent on our website: [Vision and Ethos | Lawn Primary School](#)
