

Year 2 Curriculum - Summer One

DREAM, BELIEVE, ACHIEVE.

Our topic during this half term is based around the Global Citizenship themes of Human Rights, Social Justice and Equity. All year groups across the school are teaching one of these topics under the banner of Freedom and Equality so there is an expansive progression of themes and knowledge across the school. In Year 2, our topic is Fighting for Equality and focusses on how through history people have done exceptional and brave things that affect us today. The enquiry questions that fuel the learning are detailed below along with details of all other curriculum subjects being taught this half term.

You can see our whole school vision and curriculum intent on our website: [Vision and Ethos | Lawn Primary School](http://www.lawnprimaryschool.co.uk)
