

Year 3 Curriculum - Autumn One

DREAM, BELIEVE, ACHIEVE.

Our topic during this first half term is based around the *Global Citizenship* theme of identity and diversity. All year groups across the school are teaching one of these topics under the banner of 'We are all unique' so there is an expansive progression of themes and knowledge across the school. In Year 3, our topic is 'Incredible Me!' focussing on what makes us unique, exploring similarities and differences between people in Derby, and introducing children to our partner school - Akal Primary - as part of the Linking School partnership. The enquiry questions that fuel the learning are detailed below along with details of all other curriculum subjects being taught this half term.

You can see our whole school vision and curriculum intent on our website: [Vision and Ethos | Lawn Primary School](http://www.lawnprimaryschool.co.uk)

Classroom Norms

These are the behaviours that we expect of the children without requiring any reminders!

Always show respect to each other; listen to and look at the person who is speaking; line up silently, sensibly and straight; keep the classroom tidy and things in their correct places; and sit quietly at our tables when we are working, so we can focus on our work.
