

Our topic during this first half term is based around the Global Citizenship theme of identity and diversity. All year groups across the school are teaching one of these topics under the banner of 'We are all unique' so there is an expansive progression of themes and knowledge across the school. In Year 6, our topic is 'We all matter' and focusses on diversity in sport. The enquiry questions that fuel the learning are detailed below along with details of all other curriculum subjects being taught this half term.

You can see our whole school vision and curriculum intent on our website: [Vision and Ethos | Lawn Primary School](#)

We are all unique

(Identity & Diversity)

'We all matter' Enquiry Questions

How has sport influenced diversity in our society?

How do stereotypes influence us?

How can sport break down racial divides?

Why has sport become more inclusive for all genders?

How has the Paralympics changed peoples' perceptions of all disabilities?

How can sports be adapted to ensure they are inclusive for all ages?

Should all people competing in sport be treated equally?
