

Our topic during our spring one term will be '**A Place to Call Home**': A topic based on our Global Citizenship curriculum theme of *Freedom and Equality*. Our learning in year six will be focussed around migration, seeking asylum and the refugee crisis, in particular Indian migration to the UK.

'A Place to Call Home' enquiry questions

- What are the sustainable development goals?
- What was the British Empire?
- Why does the UK have a large Indian population?
- Why do some areas of the UK have greater communities of Asian people than other areas?
- Why do some people think that the UK shouldn't accept any refugees or migrants?
- What does a refugee or migrant-friendly society look like?

Classroom Norms

These are the behaviours that we expect of the children without requiring any reminders!

Use manners all the time, treat everyone how we would like to be treated ourselves, respect other people as well as school property, be an active listener, let others concentrate on their learning, challenge ourselves and put in 100% effort all the time.
