

MRS HAMBLETON'S SUMMER CHALLENGE!

Hi children (and grown ups!)

As you know, at Lawn we talk about values ALL the time so that our children become citizens of the future, are proud of who they are and able to make a positive contribution to society. So the challenge this summer is to demonstrate our values in different ways.

Take photos - give a brief description of what you have been doing and label the values. We would like you to collate this on a page, or you may chose to create a video or power point. Why? So that you can make a difference and be the best version of you!

We know your children will rise to this challenge...see how many you can demonstrate...try to show the trickier ones too!

LAWN VALUES:
