

HALF TERM CHALLENGE

FROM MRS HAMBLETON!! It is all about the books!!

Hi children (and grown ups!)

So this holiday's challenge is all about

WORLD BOOK DAY!

The excitement is already building here at Lawn as the plans come together to make World Book Day a wonderful celebration of a love for reading. Our School Parliament have chosen three fun ways for pupils to enter our competition, with prizes including book vouchers and World Book Day pin badges.

On the 3rd of March 2022, we would like all entries to be brought into school where we'll create a display of them, in year groups, in the Smedley Hall. School Parliament leaders will choose a 3rd, 2nd and 1st place for each year group.

In addition to the competition entries, all pupils are welcome to come to school on the 3rd of March 2022 dressed as their favourite story character, or they may come in school uniform if they would rather. There is no need to bring any money in for this.

Book Boxes: recreate your favourite story in a box (e.g. shoe box).

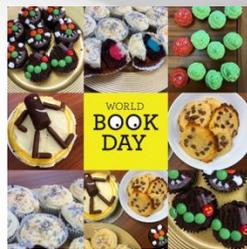

Story in a Jar: Decorate a jar based on your favourite book

Great British Book Bake Off:

Bake something to represent your chosen book but don't bring in the baking – bring in a photograph of the baking. If you send a photo on Class Story to your child's teacher before 2nd March, 2022, they will be able to print it off for the competition display.

Roving Book Fair and World Book Day £1 Book Tokens

We are very pleased that the Roving Book Fair will be returning to Lawn on Friday 18th March, 2022. We are going to hold on to the £1 book tokens that each child has until this day so that they can be used (if they wish) at the book fair. More information will be provided to you nearer to the time of this happening.

We can not wait to see your creative ideas!
