

Anti-bullying at Lawn Primary School (KS2)

What is bullying?

- Bullying is when one or a group of people is mean to someone more than once,
- When someone hurts, threatens, upset or frightens another person on purpose (they want to do it).

What is bullying NOT?

Bullying is not the same as falling out with someone. When people fall out with friends, they can sometimes say and do things because they are upset. This is not the same as bullying even though it can be upsetting.
