1	The impact of Covid has certainly impacted his happiness and emotional well being. However, school have been amazing at responding to and supporting him with this	12/8/2020 8:47 PM
2	Great proactive school not just for achievement but mental health of the children	12/7/2020 10:01 PM
3	I have answered questions based on how I feel the school deals with the subject based on P&P rather than first hand experience in the most	12/7/2020 5:08 PM
4	I have answered in the affirmative for all of these questions as I get the impression that Lawn is incredibly well-run and goes above and beyond to keep children happy and safe. However, I have to say that I have to trust my instincts on this because my child is in FS2 and so I haven't had the opportunity to really know what goes on in school, in the way that I would have if it hadn't been for Covid 19 and the necessary restrictions.	12/7/2020 4:43 PM
5	My child is new to Lawn and still feels unsure about some aspects.	12/6/2020 9:57 PM

9	The children are always at the heart of the school. The quality and breadth of their education and their happiness and well being is always in focus and the staff are consistently 100% committed to helping each and every one of them unlock their potential. We are so thankful that our boys get to benefit from everyone and everything that Lawn school has to offer	12/4/2020 10:08 PM

11	The staff at the gate are very approachable in general but with the current circumstances we are conscious of not bombarding the teachers with queries as they are trying to get the children into school. Therefore, we often rely on DoJo to send messages to ask questions etc, but don't always get a response. It would also be helpful to get a quick message on DoJo to let us know of any incidents that have been dealt with rather than hearing them from our child e.g physical contact.	12/4/2020 8:06 PM
12	All the pupils and staff at Lawn are amazing	12/4/2020 8:06 PM

16	Lawn primary is amazing, all the staff and children are fabulous and I've seen my daughter blossom even more since she started in September. All of the staff are approachable, friendly and kind. This shows on every child at the school. The support the school give to children and their families is unconditional. Thank you so much to all of you for being amazing.	12/4/2020 5:47 PM

20	I feel some of these need a not applicable or don't know. I don't know if you work with other people to keep children safe and we have not had to approach the school re bullying so that's difficult to answer. I would feel confident to approach you if I had concerns but I don't if my child would without my support, I've never had cause for concern but I hope she would.	12/4/2020 4:34 PM
21	I feel the school do all that they can do but unfortunately not all parents take responsibility for working with the school they expect the school to do it all	12/4/2020 4:26 PM
