GLOBAL CITIZENSHIP AWARDS

At Lawn, we value citizenship and see it as an integral part of developing our young people for the good of our community, planet and future. Our Global Citizenship Awards are designed to encourage, promote and celebrate the wonderful work our young children do in considering others and the wider world.

Simply, work through by selecting a different idea from each stage. As a thank you, you will achieve a certificate and a mention in the newsletter. You may also come with some of your own wonderful ideas! Ask an adult to take some photographs and send them in via email or do-jo to Mrs Hambleton to achieve each stage. You can also track your progress in your pupil planner.
