KENCO WITH THE SENDCO!

(Other coffee brands are available)

Tuesday 9th December – 9am – 10am

Join Mr Walters & Mrs O'Hare at school for an informal coffee morning where we will be discussing all things SEND – covering topics such as in-school processes, referrals to other agencies (especially where there are concerns of possible neurodiversity), EHCPs (Education and Health Care Plans) and our ELSA work (Emotional Literacy Support). There will also be a chance to network with other parents, hear about our parent-led support group, have a coffee and ask any general questions that you have!

To confirm attendance please book on ScoPay – under Trips and Events
